Lack of Tax Planning Can Put Your Business in Peril

Hi, Here are your Articles for November 17, 2016.

Kushner LaGraize's News

November 2016

Kushner LaGraize, L.L.C. selected as a "2016 Best Place to Work"

We are proud to announce that Kushner LaGraize has been selected by New Orleans City Business as a "2016 Best Place to Work". Honorees were chosen based on a questionnaire of benefits offered, including average salary, health, paid time off and employee programs, coupled with an online survey of employees. We are honored to have been chosen for this award.

Dramatic Changes Expected – Post Election Tax Update

There are plenty opportunities to plan now to take advantage of tax benefits that appear to be coming in 2017. Please click on link below for more details. <http://kl-cpa.com/newsletters/2016Post-ElectionTaxUpdate.pdf>

Economic, Legislative & Policy Summit

David Kushner, CPA, CR.FA recently attended a post-election "Economic, Legislative & Policy Summit" in Houston which was joined by Congressman Patrick McHenry (Vice Chairman of the full committee of the House Financial Services Committee). The summit held Think Tank sessions focusing on the 2017 economic growth outlook, current state of business and tax reform and how the results of the presidential election will likely impact businesses.

David also recently presented at UNO's Beta Alpha Psi Chapter which is an honor organization for financial information students and professionals. The subject was "Current Tax Issues for Individuals and Businesses".

Timely Opportunities

It's Time for Individuals to Plan for Taxes in 2016 and Beyond

The election is finally over, and it's time to focus on the future. Republicans are calling for tax reform — and when they take control of Congress and the White House in 2017, tax rates and other rules could change. Have you factored the election results into your year-end tax plans? Here are some tips for individual taxpayers to consider before December 31.

Sales

Keep a Tight Rein on Branch Operations

Setting up branch operations can help expand your revenue, boost profits and get your company's brand farther afield. But satellite operations can be disastrous if everyone is not on the same page working together. Click "Full Article" for a checklist of steps you can take to keep your branches on track.
